

# Emergency Preparedness Training For First Responders

## Announcing... TRANSCAER® 2017 Northeast Training Tour – OHIO and NEW JERSEY

TRANSCAER® (Transportation Community Awareness and Emergency Response) Training Tours will be hosting several **Free Hazardous Materials Transportation Emergency Response Training Sessions** in Ohio and New Jersey from August 25<sup>th</sup> – October 13<sup>th</sup>. Tour stops include **Orrville, Ohio; Martins Ferry, Ohio; Logan Township, NJ; and Newark, NJ**. This tour is sponsored by The Dow Chemical Company who has teamed with DANA Transport, Wheeling & Lake Erie Railway, SMS Rail Lines, Benjamin Moore, Crestwood, Conrail, CSX and NS Railroads, Kuehne Company, Energy Transfer, The Chlorine Institute, and many other local supporting agencies & volunteers.

TRANSCAER® is dedicated to educating emergency responders and their communities and includes training cars from the Firefighters Education and Training Foundation. The module-based training curriculum is designed to meet the needs of various stakeholder / groups and is free to all participants. Community leaders and governmental agencies are invited and encouraged to attend to learn how they can elevate their assistance and communication to the community. Instructors are industry subject matter experts. Classes are limited, so register early!
