**PRESENTED BY**

**LANGAN**

### **A&B Stainless Valve**

520 County Rd 513,  
Califon, NJ 07830  
Exhibit Contacts: Brian Bergen & Greg Coughlin  
Phone: 908.832.7121  
Email: [Brian@abstainless.com](mailto:Brian@abstainless.com); [Greg@abstainless.com](mailto:Greg@abstainless.com)

A&B Stainless Valve is a valve remanufacturing and modification company with over 46 years of experience. A&B is the only corporately approved remanufacturing facility worldwide for DuPont, Chemours, and Veolia. In addition to valve remanufacturing, A&B maintains and warehouses its own inventory of more than 30,000 valves, in addition to managing 38 customer-owned valve inventories.

### **ALL4 Inc.**

2393 Kimberton Road  
Kimberton, PA 19442  
Exhibit Contacts: Frank Dougherty & Gina Maiorana  
Phone: 281.201.1242, 610.422.1180  
Email: [fdougherty@all4inc.com](mailto:fdougherty@all4inc.com); [gmaiorana@all4inc.com](mailto:gmaiorana@all4inc.com)

ALL4 is a nationally recognized environmental consulting firm. We have the resources and expertise of a large firm but the flexibility of a small business. As a result, we can provide customized solutions for our clients, anchored by a commitment to transparency and communication every step of the way. Working with ALL4, you'll find a partner that's dedicated to helping your organization make informed choices about a range of regulatory obligations.

### **BREAK SPONSOR**

### **AWT Environmental Services, Inc.**

32 Birch Street  
Old Bridge, NJ 08857  
Exhibit Contacts: Michael Bliss, Thomas Russo, Kristen Wolansky  
Phone: 732.613.1660  
Email: [MBLiss@awtenv.com](mailto:MBLiss@awtenv.com); [TRusso@awtenv.com](mailto:TRusso@awtenv.com); [KWolansky@awtenv.com](mailto:KWolansky@awtenv.com)

AWT Environmental Services is a full-service environmental remediation and industrial maintenance contractor headquartered in NJ with a branch office in Kansas City, KS and satellite office in Horry County, SC. We have been providing cost-effective and innovative solutions to environmental consultants, fortune 100-500 companies, developers, insurance companies and financial institutions for 42 years. We maintain our A901 transporter license (NJ) and transporter permits in multiple states surrounding our offices. We are a certified Small Business Enterprise (SBE) with substantial insurance limits and a high-capacity bonding line. Our service offerings include: drilling/injection, excavation/support/dewatering, treatment systems (soil, vapor and groundwater) and industrial cleaning/maintenance (high pressure water blasting, crude/refined oil tank cleaning, railcar cleaning, liquid vacuum services) as well as landfill services, dredging and shoreline stabilization.

## BL Companies

535 Route 38 East, Suite 250  
Cherry Hill, NJ 08002  
Exhibit Contacts: Michael McGowan & Mike Beardsley  
Phone: 856.485.8406, 717.943.1687  
Email: [mmcgowan@blcompanies.com](mailto:mmcgowan@blcompanies.com); [mbeardsley@blcompanies.com](mailto:mbeardsley@blcompanies.com)

We hope to see you at next week's conference, and invite you to stop by Booth #20 to inquire about the full range of services BL Companies, an employee-owned, multi-disciplinary environmental, engineering, architecture and land surveying firm has to offer.

Mike & Mike, our environmental professionals (not to be confused with the ESPN commentators!), will be available throughout the conference to answer your questions and lend their expertise to your projects' needs. We look forward to collaborating with you!

## Cascade

220 Route 70 East, Suite B  
Medford, NJ 08055  
Exhibit Contacts: Lauren DiVello, Kevin Corradino & Brenna Garmon  
Phone 609.714.2420

Cascade is the leading single-source provider of nationwide environmental and infrastructure drilling, site characterization chemistries and environmental remediation services. With 36 offices and over 800 employees, Cascade has the breadth and expertise to support any project. To complement our primary resource of personnel, Cascade owns the specialized equipment required for the technologies utilized in the environmental business. Our ability to offer multiple remedial options along with the those of Cascade Drilling Services allows our clients the advantage of a full set of integrated environmental services.

COPPER SPONSOR | CCNJ REGULAR MEMBER COMPANY

## ChemOps Training | *Engage Higher Performance* | powered by SOCMA

1400 Crystal Drive, Suite 630  
Arlington, VA 22202  
Exhibit Contacts: Genevieve Strand, Sarah Williams & Emylyn Reyes  
Phone: 571.348.5111  
Email: [GStrand@socma.org](mailto:GStrand@socma.org); [SWilliams@socma.org](mailto:SWilliams@socma.org); [ENoma@socma.org](mailto:ENoma@socma.org)

Designed by industry, for industry, ChemOps Training is the essential training tool for chemical manufacturers. With a program that has been carefully developed by experienced industry professionals, this tool represents the very best way to provide new operators with an up-to-date and applicable education.

ChemOps Training features intuitive curriculum segmentation, interactive 3D animations of process equipment, self-guided assessment exercises, user progress tracking, and microlearning modules. This provides a cutting-edge, efficient means to educate.

The training tool can also be adapted to your business needs, allowing you to customize your program and select modules that are relevant to the operators you are educating. Use it exclusively, or to supplement your own in-house training!

## Clean Harbors

2858 Route 322

Bridgeport, NJ 08014

Exhibit Contacts: John McNally, Tom McCracken & Howard Edson

Phone: 201.538.0109, 302.304.2236, 609.970.5741

## **SafeRack**

219 Safety Ave

Andrews, SC 29510

Exhibit Contacts: Tony Dublino, Jason Tyner & Ray Evans

Phone: 843.957.3524, 843.359.3066, 336.624.6285

Email: [TDublino@SafeRack.com](mailto:TDublino@SafeRack.com); [JTyner@saferack.com](mailto:JTyner@saferack.com); [REvans@saferack.com](mailto:REvans@saferack.com)

SafeRack delivers elevated loading rack and safety cage solutions to companies that place a premium on worker safety during routine truck and railcar loading procedures. SafeRack engineers, manufactures, delivers and installs platforms to meet any project's unique specifications. Using galvanized steel gangways, platforms, safety cages, and fall-prevention railings and gates, we customize for terminal as well as mobile units to maximize safety and performance requirements. We can install and assemble a stand-alone loading system within a matter of hours. Our spill containment systems meet stringent U.S. EPA compliance measures making sure that oil, fuel and any hazardous materials are captured and reclaimed. It also means our pledge to safeguarding the environment is every bit as strong as our commitment to providing the safest, OSHA compliant loading systems possible for today's workforce.
