CHEMISTRY COUNCIL OF NEW JERSEY CONGRATULATES GOVERNOR-ELECT MIKIE SHERRILL & DR. CALDWELL ON HISTORIC WIN

TRENTON, NJ - (November 5, 2025) – The Chemistry Council of New Jersey (CCNJ) and its more than 100 member companies, representing the state's largest manufacturing sector and a \$15 billion industry, congratulate Governor-elect Mikie Sherrill on her historic victory and election as New Jersey's 57th governor.

"We extend our sincere congratulations to Governor-elect Sherrill and Dr. Caldwell on this momentous achievement," said Dennis Hart, Executive Director of the Chemistry Council of New Jersey. "We look forward to supporting the governor-elect's transition team and working collaboratively with the Sherrill administration to advance policies that strengthen New Jersey's manufacturing base, foster innovation, and ensure a thriving state economy."

The Chemistry Council of New Jersey represents the interests of the business of chemistry across the state, advocating for sound public policies that support growth, competitiveness, and sustainability within the industry.

####

The Chemistry Council of New Jersey (CCNJ), founded in 1955, is the trade and advocacy organization representing the interests of more than 65 New Jersey manufacturers and 46 firms in the business of chemistry. Our membership consists of large and small companies that are part of New Jersey's chemical, pharmaceutical, consumer packaged goods, petroleum, flavor & fragrances, and precious metals industries. The CCNJ is committed to a better quality of life through science.
