## **CHEMISTRY COUNCIL OF NEW JERSEY CONGRATULATES LIEUTENANT GOVERNOR TAHESHA WAY AND COMMITS TO CONTINUED COLLABORATION WITH THE MURPHY ADMINISTRATION**

September 8, 2023 – (Trenton, NJ) – The Chemistry Council of New Jersey, representing the interests of the business of chemistry in the Garden State, extends its heartfelt congratulations to Lieutenant Governor Tahesha Leila Way on her recent appointment as New Jersey's third lieutenant governor. Her dedication and outstanding leadership qualities make her the ideal choice for this pivotal role.

"Tahesha Way's impressive track record of public service and her unwavering commitment to the people of New Jersey have been truly exceptional. We have witnessed her tireless efforts to enhance our state's governance and her dedication to promoting democracy," stated Dennis Hart, executive director of the Chemistry Council of New Jersey.

"We eagerly anticipate the opportunity to continue our collaboration with the Murphy Administration," said Dennis Hart. "We recognize the significant challenges and opportunities ahead for our state, including those related to the chemical industry. Tahesha Way's leadership and vision will undoubtedly contribute to the betterment of New Jersey."

The Chemistry Council of New Jersey looks forward to working with Lieutenant Governor Way to address critical issues facing the state, ensuring a brighter future for all New Jersey residents.
